Adhesives – Tooling NEWSLETTER:

Introduction new pistons for 50ml cartridges, 2:1 epoxy and 1:1 MMA

Dear valued customer,

We would like to inform that starting in the 1st quarter of 2021 we will change piston type for 50ml 2:1 epoxy and 1:1 MMA cartridges.

The new packaging item was tested with our main epoxy and MMA products and there was no negative impact associated to packaging after transport / storage.

We will change to this new packaging for the following products listed below

1418908	ARALDITE 2014-1 C 20X6X50ML 1PCK BL1
2670808	ARALDITE 2021-1 GB 6X6X50ML BL1
2718208	ARALDITE 2022-1 6X6X50ML BL1
2803208	ARALDITE AW 4858/HW 4858 6X6X50ML BL1
4013008	ARALDITE 2014-2 A/B 20X6X50ML BL1
4142408	ARALDITE AW 4859/HW 4859 6X6X50ML BL1
4377808	ARALDITE 2050 6X6X50ML 1PCK BL1
4408308	ARALDITE 2051 A/B 6X6X50ML 1PCK BL1
4563908	ARALDITE 2019 A/B 6X6X50ML BL1

The change will be made from the next productions going forwards so the implementation starts from Jan 2021 and depending on the product forecast will follow from this date.

Should there be further clarification needed, please contact your usual sales representative.

Yours sincerely,

Huntsman Advanced Materials (Europe) BV
